

IRISS 2019: 13th Inter-Research-Institute Student
Seminar in Computer Science,
February 06th-07th, 2019.
(Venue: Rajagiri School of Engineering & Technology,
Kochi, Kerala, India)

ROHITH D VALLAM

Bio-sketch: Rohith D Vallam is Researcher, Analytics and Optimization Research India Research Laboratory, Bangalore, India since December 2015. He completed his Ph.D. in Computer Science from Indian Institute of Science, Bangalore in 2015. His interests include investigating the role of game theory, mechanism design, and machine learning in E-commerce applications like crowdsourcing, social networks and prediction markets. His interests also involve social network analysis involving the study of network formation models and also investigation of processes like influence propagation/limitation, virus inoculation, etc. He was nominated for the “Best Thesis Award (2015)” from the Department of Computer Science and Automation (CSA), Indian Institute of Science, Bengaluru. He has won Second Runner-up (all-India), Best Doctoral Dissertation Award, at the Xerox Research Center India (XRCI) Open 2015. He was selected for receiving IBM Ph.D. Fellowship for the year 2012-2014.
